

GELANO LEMA

4th-Year Software Engineering Student | Aspiring Software Engineer

Phone: 0910397958 | Email: lemagelano@gmail.com | Location: Ethiopia

PROFESSIONAL SUMMARY

Motivated fourth-year Software Engineering student at Bule Hora University with an interest in building practical, reliable, and user-friendly software systems. Has project experience developing web-based applications and working with front-end technologies, PHP, and database-backed systems. Eager to keep learning, collaborate with others, and apply software engineering principles to real-world problems.

EDUCATION

Bule Hora University — B.Sc. Software Engineering

Fourth-Year Student

TECHNICAL SKILLS

Web	HTML5, CSS3, JavaScript
Backend	PHP; introductory Laravel project work
Database	MySQL, phpMyAdmin
Programming	Java, Python
Tools	Git/GitHub, XAMPP, VS Code, NetBeans

SELECTED PROJECTS

Bule Hora University Student Management System

Developed a PHP/MySQL web application with Admin, Teacher, and Student roles. Includes student/course management, marks, grade/GPA display, and role-based access.

Bule Hora Hospital Management System

In-progress concept for managing hospital workflows and patient-related records through a web-based interface.

Personal Portfolio Website

Built a personal portfolio to present profile information, technical skills, project details, GitHub links, and live demonstrations.

Remote Procedure Call (RPC) System

Academic project exploring client-server communication and remote function calls using Python and networking concepts.

CORE STRENGTHS

Continuous learning • Problem solving • Team collaboration • Attention to detail • Interest in software design and development
